## "THEY ARE ADORABLE, ANOINTED, AND A GOD-HONORING FAMILY AND MINISTRY!"

**The Mulkins Family** hails from Central Illinois and is dedicated to glorifying God through their music and evangelism. As a young family, they are honing their instrumental skills and vocal harmonies to deliver fun, uplifting, and God-honoring gospel concerts that leave audiences feeling encouraged and inspired. Their musical style blends Southern Gospel with a hint of Bluegrass.

The family comprises Rick and Cindy Mulkins and their nine children, including a newborn, Esther (not shown). Currently, six of the children sing and play instruments. During concerts, Rick enriches the musical experience by weaving together the Gospel, heartfelt testimonies, and stories of God's grace and goodness between songs.

Their musical journey began when someone asked Cindy if they performed music as a family, to which she replied, "No, we don't have any music background or training." Since that pivotal question, much has changed. Today, they sing, travel, and evangelize across the country.

You will enjoy their family's charm, talent, and love. However, they emphasize that their priority is always the Gospel of Jesus Christ. They aim to continually point people to Jesus and are strong advocates for family unity. Key scriptures for their family: Mark 16:15, John 3:3, Joshua 24:15, Psalm 128:1-6, and Psalm 92:1-2.
